Knowledge Management Objectives

- Implement in PACOM a Prototype Theater-Wide KM Information Infrastructure

- Develop a CINC/CJTF-level KM Tagging standard to augment current DISA SHADE Development Activities

- Adapt PACOM/CJTF production processes to incorporate this tagging methodology

- Develop KM Portals for critical CINCPAC activities (FY 01 and beyond)

- Transition CINC 21 KM Enhancements into GCCS, GCCS-M, and GCSS as appropriate
